About the Bloomington-Normal Economic Development Council

The B-N EDC helps businesses in McLean County grow as well as attract new businesses to the community. We are a leadership organization that focuses on investing in our community's assets to grow and improve our prosperity and quality of life. The Economic Development Council of the Bloomington-Normal Area grows the local economy by assisting with local business expansion, recruiting new businesses and companies to the area, and encouraging the next wave of entrepreneurs to establish their business in McLean County.

The Bloomington Normal Economic Development Council has created this directory to provide access to the different businesses located in McLean County. The companies are listed in alphabetical order under each category. It has three sections.

Manufacturers (page 4 - 12) Companies in this section manufacture products

Office and Professional (pages 13 - 45) Companies in this section provide a service and/or support to businesses and the community. This section also includes public sector entities, including local governments and schools as well as private businesses.

Service Industries (page 46 - 75) Companies in this section provide non-manufacturing service, support.
